VOLUNTARY PRE-KINDERGARTEN **ATTENDANCE POLICY** **2024-2025**

To the Parent of _____;

Your child is enrolled in the state-funded, Voluntary Pre-Kindergarten (VPK) program. Students enrolled in additional programs were given that information at the time of enrollment. Because this is a state-funded program, there are rules and regulations that both the provider and the parents must follow. The state of Florida has designed the attendance rules for the VPK program. PLEASE READ THE INFORMATION BELOW CAREFULLY! You will be asked to sign a confirmation that you received this.

This agreement contains the following information:

1. **SIGN IN / ATTENDANCE VERIFICATION**
2. **ATTENDANCE , TARDINESS, LATE PICK UP & ABSENCE POLICY**
3. **TRANSFEER / TERMINATION**
4. **WTHDRAW**

1. **SIGN IN/ATTENDANCE VERIFICATION**

Your child must be signed in upon arrival and signed out at dismissal every day by the adult who drops off and/or picks up. Each child will have their own monthly attendance sheet. The exact time and full signature must be put on the attendance sheet daily. This is a requirement of the VPK program. In addition to the daily sign in/out, at the end of the month you will be required to sign a "Student Attendance and Parental Choice Certificate" that confirms that your child has attended the **Alazhar School VPK program** during the month listed, certifies that the parent or representative signed the attendance daily record and confirms the parent's wish for his/her child to continue in the program at Alazhar School.

2. **ATTENDANCE / TARDINESS / LATE PICK UP/ABSENCE**

Daily attendance is required in this program. It is important that your child attends every day in order to receive the maximum benefit of this program. The VPK program is 3.5 hours a day, 5 days a week for 154 days. All enrolled families received a calendar showing the scheduled days off during the operational period of (start date) through (end date).

TARDINESS: Arrival for the VPK program s between 7:45 and 8:00 a.m. The earliest time arrivals will be accepted in the classroom s 7:45 a.m. The instructional day starts at 8:00 a.m. and all children are expected to be n place and ready to start the day. Arrival after 8:00 a.m. are disruptive to the group in progress and difficult for the arriving child as well. We understand that it is occasionally unavoidable to be "running late", but more than three times a month will not be acceptable and will be cause for termination from the VPK program

LATE PICK UP: Children enrolled in the VPK program at **ALAZHAR SCHOOL** must arrive to class on time "8:00 am." A child who is enrolled in the VPK program but is not enrolled for the wrap-around program must be picked up at 11:30 am. A late fee of \$1.00 per minute will be assessed if your child is not picked up on time. After ten minutes, the parent will pay the daily wrap around fee for the day, which is \$24.00.

ABSENCES: Daily attendance in the VPK program at **ALAZHAR SCHOOL** is necessary for optimal learning, however students will be allowed 3 absences per month. Any absences beyond those three days require a written note from the parent for one of the following reasons:

- Illness or injury of the child or the child's family member which requires hospitalization or bed rest.
- Physician or dentist appointment.
- Infectious disease or parasitic infestation.
- Funeral service, memorial service, or bereavement upon the death of the child's family member.
- Compliance with a court order (e.g. visitation, subpoena).
- Observance of a religious holiday or service
- Special education or related services for the child's disability.
- **Family vacation, not to exceed 5 excused absences per program year.**

3. TRANSFER / TERMINATION

TRANSFER: Should you decide at any time after the start of the VPK program that you wish to transfer your child to another provider/school it is the parent's responsibility to notify **ALAZHAR SCHOOL** and comply with the VPK transfer regulation.

TERMINATION: At Alazhar School, we strive to meet the need of all of the children and families in our school. Please feel free to consult us on any issue. **ALAZHAR SCHOOL** reserves the right to terminate VPK services for any of the families not in compliance with the policies and procedures outlined in this agreement or the **ALAZHAR SCHOOL** parent handbook.

4. WITHDRAWAL FROM WRAP-AROUND SERVICES

If at any time a parent withdraws their child from the wrap-around services offered by Alazhar School but choose to remain in the VPK program at **ALAZHAR SCHOOL**, we reserve the right to move that child into a different Pre-Kindergarten class at **ALAZHAR SCHOOL**.

Thank you for taking the time to review these policies. The Florida Office of Early Learning may modify their policies. You will be notified of any changes in writing. Please refer to **Alazhar Parent Handbook** for all school rules, regulations and policies. We look forward to a successful school year. Thank you for choosing **ALAZHAR SCHOOL** as your VPK provider.

- Authoritative:** I have a more democratic way of parenting that uses a child-centric approach. I still have high expectations of my child, but I encourage independence, listen to my child's view points, and administer fair and consistent discipline
- Permissive:** I am more responsive than demanding, non-traditional, lenient, avoid confrontation. I have only a few rules, and am more like a friend than a parent.

During the 2009 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes provide parents with information detailing the causes, symptoms, and transmission of the influenza virus (the flu) every year during August and September.

What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

CALL OR TAKE YOUR CHILD TO A DOCTOR RIGHT AWAY IF YOUR CHILD:

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions. To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group setting until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.

For additional helpful information about the dangers of the flu and how to protect your child, visit: <http://www.cdc.gov/flu/> or <http://www.immunizeflorida.org/>

What is the influenza (flu) virus?

Influenza (“the flu”) is caused by a virus which infects the nose, throat, and lungs. According to the US Center for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

How can I tell if my child has a cold, or the flu?

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

FACTS ABOUT HEATSTROKE:

It only takes a car **10 minutes to heat up 20** degrees and become deadly.

Even with a **window cracked**, the temperature inside a vehicle can cause heatstroke.

The body temperature of a child increases **3 to 5 times faster** than an adult's body.

PREVENTION TIPS:

- Never leave your child alone in a car and call 911 if you see any child locked in a car!
- Make a habit of checking the front and back seat of the car before you walk away.
- Be especially mindful during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- Create reminders by putting something in the back seat that you will need at work, school or home such as a briefcase, purse, cell phone or your left shoe.
- Keep a stuffed animal in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- Set a calendar reminder on your electronic device to make sure you dropped your child off at child care.
- Make it a routine to always notify your child's child care provider in advance if your child is going to be late or absent; ask them to contact you if your child hasn't arrived as scheduled.

During the 2018 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes to provide parents, during the months of April and September each year, with information regarding the potential for distracted adults to fail to drop off a child at the facility/home and instead leave them in the adult's vehicle upon arrival at the adult's destination.

Healthy Eating

for **Preschoolers**

Choose **MyPlate.gov**

Get your child on the path to healthy eating.

Focus on the meal and each other.

Your child learns by watching you. Children are likely to copy your table manners, your likes and dislikes, and your willingness to try new foods.

Offer a variety of healthy foods.

Let your child choose how much to eat. Children are more likely to enjoy a food when eating it is their own choice.

Be patient with your child.

Sometimes new foods take time. Give children a taste at first and be patient with them. Offer new foods many times.

Let your children serve themselves.

Teach your children to take small amounts at first. Let them know they can get more if they are still hungry.

Cook together.

Eat together.

Talk together.

Make meal time family time.

Daily Food Plan

Use this Plan as a general guide.

● These food plans are based on average needs. Do not be concerned if your child does not eat the exact amounts suggested. Your child may need more or less than average. For example, food needs increase during growth spurts.

● Children's appetites vary from day to day. Some days they may eat less than these amounts; other days they may want more. Offer these amounts and let your child decide how much to eat.

Food group	2 year olds	3 year olds	4 and 5 year olds	What counts as:
Fruits 	1 cup	1 - 1½ cups	1 - 1½ cups	½ cup of fruit? ½ cup mashed, sliced, or chopped fruit ½ cup 100% fruit juice ½ medium banana 4-5 large strawberries
Vegetables 	1 cup	1½ cups	1½ - 2 cups	½ cup of veggies? ½ cup mashed, sliced, or chopped vegetables 1 cup raw leafy greens ½ cup vegetable juice 1 small ear of corn
Grains Make half your grains whole 	3 ounces	4 - 5 ounces	4 - 5 ounces	1 ounce of grains? 1 slice bread 1 cup ready-to-eat cereal flakes ½ cup cooked rice or pasta 1 tortilla (6" across)
Protein Foods 	2 ounces	3 - 4 ounces	3 - 5 ounces	1 ounce of protein foods? 1 ounce cooked meat, poultry, or seafood 1 egg 1 Tablespoon peanut butter ¼ cup cooked beans or peas (kidney, pinto, lentils)
Dairy Choose low-fat or fat-free 	2 cups	2 cups	2½ cups	½ cup of dairy? ½ cup milk 4 ounces yogurt ¾ ounce cheese 1 string cheese

Some foods are easy for your child to choke on while eating. Skip hard, small, whole foods, such as popcorn, nuts, seeds, and hard candy. Cut up foods such as hot dogs, grapes, and raw carrots into pieces smaller than the size of your child's throat—about the size of a nickel.

There are many ways to divide the Daily Food Plan into meals and snacks. View the "Meal and Snack Patterns and Ideas" to see how these amounts might look on your preschooler's plate at www.choosemyplate.gov/preschoolers.html.
